

# CHINA FAST TRACK™

## HONG KONG INTERNATIONAL AIRPORT USER GUIDE

China Fast Track™ allows you and your accompanying guests to enjoy superior VIP service for check-in, immigration, and security check at Hong Kong International Airport.

### Arrival

- As you disembark, you will be greeted by a VIP service ambassador bearing a placard with your name.
- You will be given a ride on an electric buggy to the immigration hall. (\*Subject to the availability of electric buggy inside the terminal)
- A special channel at the immigration counter will be arranged for you. (\*\*Subject to Immigration Department approval as special clearance is strictly for VVIPs only. E.g. Government Officials and Celebrities; to avoid inconvenience to the public.)
- VIP service ambassador will assist with baggage claim.
- The service ambassador will guide you to your ground transportation/limousine.

## Departure

- Take ground transportation to the terminal. We will contact your driver and ask the driver to see you off at the **Entrance of Terminal One**, the closest entrance to the assigned check-in counter on the departure level.
- VIP service ambassador will bear a placard with your name and wait at the **departure curb**.
- VIP service ambassador will greet and assist you with check-in.
- VIP service ambassador will then guide you through a special immigration channel. (\*\*Subject to Immigration Department approval as special clearance is strictly for VVIPs only. E.g. Government Officials and Celebrities; to avoid inconvenience to the public.)
- VIP service ambassador will guide you to the VIP lounge for you to relax in before your flight. (\*\*\*)Additional charged involved if the lounge is provided by China Fast Track)
- When it is time for boarding, VIP service ambassador will guide you to the boarding gate.
- You will be given a ride on an electric buggy to the lounge or boarding gate (either customs→ lounge, or lounge→ boarding gate) inside the terminal.
