

CHINA FAST TRACK™

QINGDAO AIRPORT USER GUIDE

China Fast Track™ allows you and your accompanying guests to enjoy superior VIP service for check-in and security check at Qingdao Liuting International Airport.

Arrival

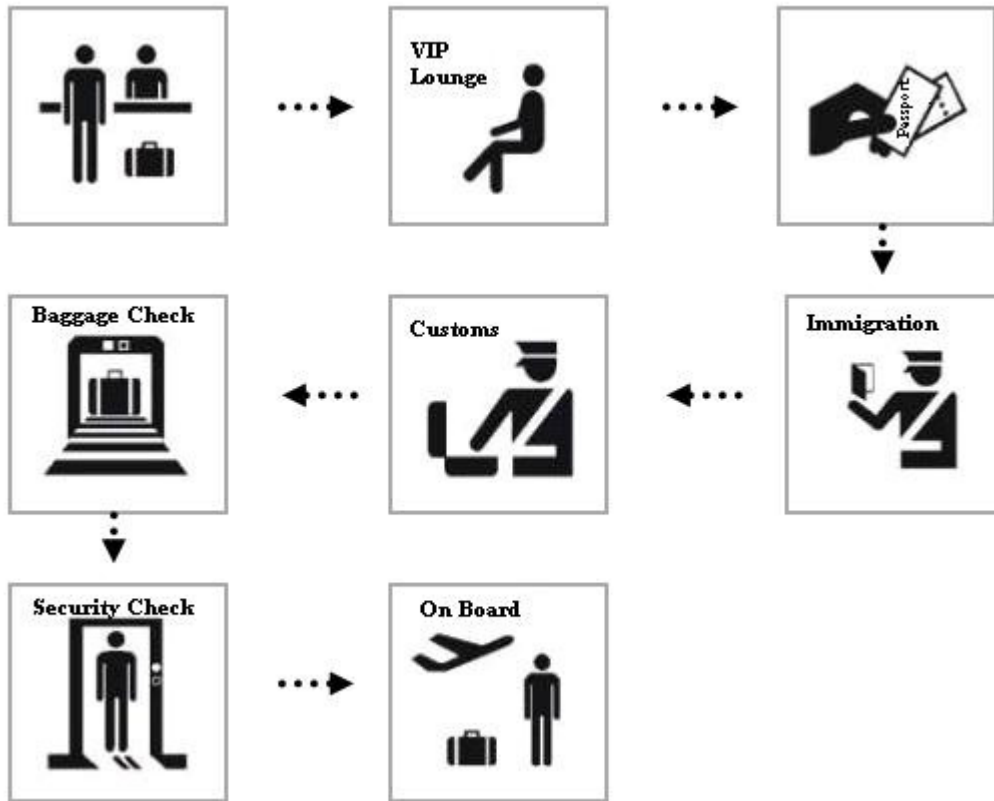

- As you disembark, you will be greeted by a VIP service ambassador bearing a placard with your name.
- You will receive dedicated staff guidance through the immigration and customs channel.
- VIP service ambassador will assist with baggage claim.
- The service ambassador will guide you to your ground transportation/limousine.

Departure

- Take ground transportation to the terminal. We will contact your driver and ask the driver to see you off in front of **Domestic Entrance #1** on the departure level.
- Approach the 'VIP Lounge' counter inside **Domestic Entrance #1 to your far left hand side.** (picture as follows)
- When you approach the VIP service counter, a VIP service ambassador will greet and seat you in the VIP lounge.
- VIP service ambassador will perform check-in on your behalf. If you have bags to stow, you will need to accompany the representative to the VIP check-in counter before returning to the lounge.

- When it is time for boarding, the service ambassador will guide you through the VIP channels for security and health checks, then to the boarding gate.
